II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? (*check all that apply*)

- Federal question Diversity of citizenship

Fill out the paragraphs in this section that apply to this case.

A. If the Basis for Jurisdiction Is a Federal Question

List the specific federal statutes, federal treaties, and/or provisions of the United States Constitution that are at issue in this case.

B. If the Basis for Jurisdiction Is Diversity of Citizenship

1. The Plaintiff(s)

a. If the plaintiff is an individual

The plaintiff, (name) Jeanetta Springer and Jacob C. Springer, is a citizen of the State of (name) Alabama

b. If the plaintiff is a corporation

The plaintiff, (name) _____, is incorporated under the laws of the State of (name) _____ and has its principal place of business in the State of (name) _____

(If more than one plaintiff is named in the complaint, attach an additional page providing the same information for each additional plaintiff.)

2. The Defendant(s)

a. If the defendant is an individual

The defendant, (name) _____, is a citizen of the State of (name) _____. Or is a citizen of (foreign nation) _____

b. If the defendant is a corporation

The defendant, (name) Wells Fargo Bank, N.A., is incorporated under the laws of the State of (name) Delaware, and has its principal place of business in the State of (name) California.
Or is incorporated under the laws of (foreign nation) _____, and has its principal place of business in (name) _____.

(If more than one defendant is named in the complaint, attach an additional page providing the same information for each additional defendant.)

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because (explain):

We lost both real property and peace of mind due to the violation of our Constitutional Rights and the laws of this nation mentioned above.

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

A foreclosure proceeding was held at Circuit Court of Randolph County, Alabama in order to pressure me, Jacob C. Springer, into signing a check issued by the Circuit Court of Randolph County, Alabama in another civil action. The first time this was attempted it was on "deceased property". The second time was because of "late payments". The Evidence clearly showed the house had not reached foreclosure status, however, this evidence was not presented due to violation of due process. The house was unlawfully seized by the State of Alabama Department of Revenue by issuing a writ to seize the property for \$998.69, even though I (Jacob Springer) never had an account with Wells Fargo Bank or had any dealings with them.

IV. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

The House, located on 619 Lafayette Highway, Roanoke, AL 36274, needs to be returned to us and compensation for any damage and destruction to the house with the present state it is in. Compensatory damages are also being sought for the violation of our Constitutional Rights and abuses by the state actors under color of law. Punitive damages are also being sought to prevent this from happening again, and a jury trial is being sought.

V. Certification and Closing

Under Federal Rule of Civil Procedure 11, by signing below, I certify to the best of my knowledge, information, and belief that this complaint: (1) is not being presented for an improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation; (2) is supported by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and (4) the complaint otherwise complies with the requirements of Rule 11.
